Q&A

When the Saints go Marching In.....Traditional

Programs: The conductor introduces each piece with interesting contextual information. You will be able to access and download a pdf file of the program with program notes from the KSO’s "Rags to Riches" web page for your students.

Surveys: All teachers whose classes view the concert (live or virtually) are asked to complete the on-line survey. Complete the survey as soon as possible following the concert. Survey responses have a direct impact on the KSO’s ability to secure funding for future educational programs and to keep them admission free.

Question and Answer Session: The conductor and members of the Newport Ragtime Band will take questions from the audience. We'd like students or teachers from all participating schools to have an opportunity to ask a question, therefore we ask that teachers help students prepare their questions in advance.

Teachers at the performance or attending virtually may text or email students questions prior to or during the concert. A KSO volunteer will read the question aloud to the orchestra. No student will be individually named. Students who ask questions will only be identified by grade and school. (i.e. "This question comes from a ninth grader attending Holmes High School.")

Send questions via Email: Info@kyso.org
or Text: “KSO” to the number 31996
